

# ALASKA NETWORK ROYAL RANGERS

---

## **FCF SHELTERS CONTRACT**

**Shelters can only be constructed out of log, canvas or board and bat exteriors**

**Sod, designer shakes that look like shakes, shakes or shingles should be used for the roof. (Fire retardant must be used on natural shakes)**

**Walls no higher than 6' with a maximum peak height of 10'**

**14'x16' will be the maximum size allowed**

**Doors should be built out of 2x6 tongue and groove with z bracing.**

**Windows must not be the swing out style (slide-up, slider, or non-opening are ok)**

**Must be built on concrete or pavers with brown wood where contact with ground is made.**

**No skylights.**

**The exterior of the structure must be completed in a period no longer than 2 years. (1 year is preferred)**

**Structures must have its own fire extinguisher.**

**The officers of the FCF chapter, the Network Coordinator, and the camp director will determine location for any new shelter.**

**Structures can (with the owners permission) be used for housing when work teams are up when other shelter is not available. Structures will not be used when camp is rented out.**

**While the structure you build is yours, the property it sits on belongs to the Alaska Network, therefore if an individual is**

**inactive for a period of two years then the structure is surrendered to the Alaska Network Royal Rangers.**

**If a 2-year inactive period is reached the owner will have the option to take the structure down. If structure is not taking down within 60 days structure will be forfeited to the Alaska Network Royal Rangers.**

**I HEREBY WAIVE THE ALASKA NETWORK ROYAL RANGERS AND THE ALASKA NETWORK HEADQUARTERS, ALL OFFICERS, LEADERS, EMPLOYEES AND MEMBERS OF THE ABOVE LISTED GROUPS FROM ANY LIABILITY OR DAMAGE THAT MAY HAPPEN TO THE STRUCTURE. I FURTHER ACKNOWLEDGE THAT FAILURE TO COMPLY WITH THE ABOVE GUIDELINES WILL RESULT IN IMMEDIATE TERMINATION OF THIS CONTRACT AND THE STRUCTURE WILL BE SURRENDERED TO THE ALASKA NETWORK ROYAL RANGERS.**
